

## Job Opening: School Based Mental Health Therapist

School Based Mental Health Therapist HopeSpoke (formerly Child Guidance Center) is seeking a therapist to provide therapy services in the school setting full time during the academic school year with school breaks and summers off. This is a 75% position and will involve expansion of our already established school based programming. Experience working with school age youth and their families a plus. Position will involve coordination with LPS staff and services will be provided at two schools, each two days per week following the school year calendar with some start up prior to and wind down time at the end of the school year. One day per week will involve attending required meetings and office related work. Ability to provide evidence based services and interventions and complete timely documentation required. Position can increase to up to full time with addition of after school/evening hours worked in the Outpatient setting year round.

**Requirements include:** excellent clinical skills, organizational skills and commitment to meeting document completion guidelines, experience working with trauma, positive attitude and high level of motivation, and the ability to work with both the HopeSpoke team and community partners including Lincoln Public Schools. LMHP or LIMHP required; PLMHP will be considered.

Excellent time off and benefits. HopeSpoke is an equal opportunity organization.
