

Inspiring Children & Families to Move Forward

Job Opening: Full-Time Registered Nurse/Case Manager Extended Day Treatment Program

HopeSpoke's Extended Day Treatment Program (EDTP) is seeking a full time RN/Case Manager. EDTP is expanding its mental health program that offers treatment to elementary age children and their families. This unique opportunity allows you to have the ability to work Monday – Friday with no evening, weekend or on-call hours and be a part of a dedicated team of professionals who seek to improve the lives of families within our community.

Duties can vary but will include providing nursing services to children during program hours (2:30pm – 6:00pm), complete a nursing assessment on all new clients entering treatment, answer intake calls, manage the waitlist, connect families with community resources, act as liaison between clients and their primary care physician, attend treatment teams weekly, audit charts and maintain documentation as needed, and consult with therapists and staff on medications or health concerns of clients.

If you would like a change of pace from a hospital setting or doctor's office and have an interest in children's mental health, then this is the perfect position for you!

Send your resume and cover letter to:
HopeSpoke
Attn: Jackie Prater, LICSW EDTP Director
2444 O Street
Lincoln, NE 68510

or email, in Word format, jprater@hopespoke.org
