

Job Opening: Extended Day Treatment Program Case Manager

HopeSpoke's Extended Day Treatment Program (EDTP) is seeking a full time Case Manager. EDTP is expanding its mental health program that offers treatment to elementary age children and their families Monday thru Friday 2:30 to 6:00pm.

This unique opportunity allows you to have the ability to work with no evenings, weekend or on-call hours and be a part of a dedicated team of professionals who seek to improve the lives of families within our community.

Duties can vary but will include providing case management services to families in the program, answer intake calls, manage the waitlist, connect families with community resources, act as liaison between clients and their primary care physician, attend treatment team weekly, audit charts, and work along side therapists. If you have an interest in children's mental health in an exciting environment this is the perfect position for you.

You may send your resume to:
