

Inspiring Children & Families to Move Forward

Job Opening: Extended Day Treatment Program Full-Time Mental Health Therapist **\$7,500 Hiring Bonus**

HopeSpoke is an established and growing mental health agency in the Lincoln community. We are expanding our Extended Day Treatment Program (EDTP) to extend our positive impact to even more youth in need. Join us as we fulfill our mission of Inspiring Children & Families to Move Forward!

To accommodate our expansion, EDTP is seeking an additional full-time mental health therapist. This position provides the opportunity to work with a dynamic, skilled, and dedicated team of professionals while providing individual, family, and group therapeutic services to children ages 5 to 11. We utilize a trauma- and attachment-centered approach that values thinking outside the box and letting children be children. EDTP is a strengths-based program where every staff and client is given the support they need to grow—and have fun while doing so!

HopeSpoke also offers excellent training opportunities in evidenced-based practices, liberal paid time off, and a significant benefits package.

Send your resume and cover letter to:

HopeSpoke
Attn: Jackie Prater, LICSW
EDTP Director
