

Job Opening: Mental Health Therapist

HopeSpoke is seeking a full time Mental Health Therapist to provide clinical oversight, suicide assessments, knowledge of working with trauma, and transitional counseling to youth in placement. Position will involve coordination with entities co-located at the Juvenile Justice Center. Opportunities provided to receive specialized clinical training, working with diverse populations and being part of an exciting team of professionals.

Candidates should possess strong communications skills, organization skills, and knowledge of working with trauma. Licensure required (PLMHP, LMHP, and/or LIMHP) This is a unique opportunity to provide interventions with youth and families, no insurance authorizations required, and minimal paperwork. Excellent time off, flexible schedule and great benefits.

- Training provided
- Certification and Licensure paid for by HopeSpoke
- Clinical Team approach with lots of support
- Salary negotiable based on experience \$48,000-\$58,000.

GREAT Benefits:

Vacation/Sick
Holiday pay
Retirement (403b)
Health Insurance
