

Job Opening: Licensed Practical Nurse/Registered Nurse

HopeSpoke is a Joint Commissioned Accredited, non-profit agency serving individuals across the life span with mental health disorders. We are a dedicated team who meets each person individually where they are in their unique recovery process. With a trauma-informed approach, HopeSpoke provides a variety of treatment services, including medication aide, outpatient therapy, and other support services.

HopeSpoke's Vision is for all children and families to be healthy and hopeful, and our Mission inspires healthy futures for children and their families through comprehensive behavioral and mental health services.

HopeSpoke is seeking a dedicated Licensed Practical Nurse or Registered Nurse that will perform outpatient duties under the direction of an Advanced Nurse Practitioner in a mental health agency.

Duties

- Liaison between the client, parent, therapists and APRN
- Schedule medication evaluations or possible medication needs
- Schedule medication appointments and do reminder calls
- Attend all medication appointments via zoom or in person
- Initiate the communication and emails on all inquiries by therapists, clients, guardians, and pharmacies
- Work with the mental health therapist regarding their client, requesting updates to be communicated to the APRN prior to each medication appointment
- Review and verify client's immunization record and medical history
- Assist Pharmacist with quarterly Pharmacy Reviews

Requirements

- Licensed to practice as a Licensed Practical Nurse or Registered Nurse in the state of Nebraska
- Ability to carry out written and oral instructions and exercise judgment in applying nursing care
- Excellent written and verbal communication skills
- Preferred familiarity with technology including EHR systems and Zoom scheduling

Job Type: 12-15 hours per week, Monday-Friday, Ability to work a hybrid work schedule
Compensation - \$25 - \$30 per hour
